Our autism evaluations are administered by two board certified speech-language pathologists specially trained in the administration of the assessments for the diagnosis of autism.

Our autism evaluation includes administration of:

- Autism Diagnostic Observation Schedule, Second Edition (ADOS-2)
- Childhood Autism Rating Scales, Second Edition (CARS-2)
- One of the following language assessments :
 - Preschool Language Scales Screening Test, Fifth Edition
 - Rossetti Infant-Toddler Language Scale

The total cost of the evaluation is \$400. We accept cash, check, debit cards, credit cards, and HSA cards as forms of payment. We are currently out-of-network with insurance including medicaid, therefore, you will be responsible for the full fee at the time of service.

We understand that costs can be high, so we offer the following financing option to families who may need assistance with paying:

- An initial \$200 payment made at the time of the evaluation and a final \$200 payment made two weeks from the evaluation. A card will be required to be held on file with Sprout Speech Therapy, LLC.

We are passionate about early intervention and are more than willing to work with you to meet your needs. Please do not hesitate to reach out with any questions.
